## New Coronavirus Information for home owners

In Switzerland, the number of corona infections is increasing rapidly. The Federal Council has classified the situation in Switzerland as an “extraordinary situation” and has taken the following measures to protect the health of the population:

- All shops, restaurants, bars and entertainment and leisure facilities will remain closed. Not affected by the new ruling are food stores and healthcare institutions.
- Mobilisation of up to 8000 military personnel for health, logistics and security
- Ban on classroom teaching at all educational establishments
- All public and private events are prohibited
- Gatherings of more than five persons are prohibited
- Temporary standstill in debt collection
- Authorisation requirement for the export of medical protective equipment
- All persons from abroad, with the exception of the Principality of Liechtenstein, are refused entry to Switzerland by land and air (Exceptions are possible, for example for people who live or work in Switzerland.)
- ban on visiting hospitals, old people’s homes, nursing homes and invalidity facilities (Canton of Zurich)

### Owners’ meeting

Due to the ban on all public and private events, convened or planned meetings are cancelled and postponed to a later date.

### Use of the general rooms

- We are in contact with all cleaning institutes commissioned by us to ensure that the tightened hygiene measures are also implemented in the area of house cleaning.
- When using general rooms, take care to avoid contact with handrails, railings, handles, buttons, sonnery, etc.
- Regularly carry out a 90-degree wash cycle in communal washing machines.
- Avoid using the elevator if possible.
- Keep sufficient distance from other people in playgrounds.

### Symptom occurrence

- Go into self-isolation and follow the recommendations for self-isolation of confirmed coronavirus cases. You will find all the necessary information on the website of the Federal Office of Public Health (FOPH): [www.bag.admin.ch/new-coronavirus](http://www.bag.admin.ch/new-coronavirus).
- If you are one of the most vulnerable people: Contact a doctor immediately by phone. Say that you are a person with risk factors, have had contact with a confirmed case of coronavirus, and have symptoms
- Inform us so that we can inform all residents of your home reactively, but without delay, taking into account the protection of personality rights, and coordinate the necessary measures with the crisis organisation in your canton of residence.

### Further information

#### Call before you go to the doctor!
